**OMNIBUS GUIDELINES ON THE IMPLEMENTATION OF
COMMUNITY QUARANTINE IN THE PHILIPPINES**

WHEREAS, Article II, Section 15 of the 1987 Constitution provides that the State shall protect and promote the right to health of the people and instill health consciousness among them;

WHEREAS, Executive Order No. (E.O.) 168, s. 2014 created the the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF) to facilitate inter-sectoral collaboration to establish preparedness and ensure efficient government response to assess, monitor, contain, control, and prevent the spread of any potential epidemic in the Philippines;

WHEREAS, Section 2(c) of E.O. 168 mandates the IATF to prevent and/or minimize the local spread of emerging infectious diseases in the country through the establishment or reinforcement of a system in screening possible patients infected with emerging infectious diseases, contact tracing, identification of the mode of exposure to the virus, and implementation of effective quarantine and proper isolation procedures;

WHEREAS, on 28 January 2020, the IATF convened, and thereafter issued regular recommendations for the management of the 2019 Novel CoronaVirus Acute Respiratory Disease which is now known as CoronaVirus Disease 2019 (COVID-19);

WHEREAS, the 18 March 2020 Memorandum from the Office of the Executive Secretary directed all heads of departments, agencies, and instrumentalities of government, including the Philippine National Police (PNP), Armed Force of the Philippines (AFP), and the Philippine Coast Guard (PCG), government-owned and controlled corporations (GOCCs), Government Financial Institutions (GFIs), State Universities and Colleges (SUCs), and Local Government Units (LGUs) to adopt, coordinate, and implement guidelines which the IATF may issue on the COVID-19 situation, consistent with the respective agency mandates and relevant laws, rules, and regulations;

WHEREAS, on 30 April 2020, Executive Order (E.O.) No. 112, s. 2020 was issued imposing an Enhanced Community Quarantine (ECQ) in high-risk geographic areas of the Philippines and a General Community Quarantine (GCQ) in the rest of the country from 01 to

FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

15 May 2020, adopting the Omnibus Guidelines on the Implementation thereof, and for other purposes;

WHEREAS, the IATF approved the Guidelines on the Implementation of the Modified Enhanced Community Quarantine (MECQ) and the zoning concept and corresponding qualification and its phased response or intervention.

WHEREAS, there is a need to revise existing guidelines on community quarantine to streamline rules which will be applicable to transitional community quarantine classifications;

WHEREAS, Section 3 of E.O. 112 sec the IATF to amend or modify the Omnibus Guidelines on the Implementation of Community Quarantine in the Philippines.

NOW, THEREFORE, in consideration of the premises set forth herein, the IATF issues these Revised Omnibus Guidelines to harmonize and codify existing policies of the IATF and member-agencies pertaining to community quarantine, which shall be applied to all regions, provinces, cities, municipalities and barangays placed under community quarantine.

SECTION [1] DEFINITION OF TERMS. For purposes of these Guidelines, the following shall be defined as follows:

1. **Comorbidity** - refers to the presence of a pre-existing chronic disease condition.
2. **Community Quarantine** - refers to the restriction of movement within, into, or out of the area of quarantine of individuals, large groups of people, or communities, designed to reduce the likelihood of transmission of COVID-19 among persons in and to persons outside the affected area.
3. **COVID-19** - refers to the Coronavirus Disease 2019 which is caused by the virus known as the severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2).
4. **Enhanced Community Quarantine** - refers to the implementation of temporary measures imposing stringent limitations on movement and transportation of people, strict regulation of operating industries, provision of food and essential services, and heightened presence of uniformed personnel to enforce community quarantine protocols.

REPUBLIC OF THE PHILIPPINES
INTER-AGENCY TASK FORCE
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

5. **Essential goods and services** - covers health and social services to secure the safety and well being of persons, such as but not limited to, food, water, medicine, medical devices, public utilities, energy and others as may be determined by the IATF.
6. **General Community Quarantine** - refers to the implementation of temporary measures limiting movement and transportation, regulation of operating industries, and presence of uniformed personnel to enforce community quarantine protocols.
7. **Health and emergency frontline services** - refers to services provided by public health workers [all employees of the Department of Health (DOH), DOH Hospitals, Hospitals of LGUs, and Provincial, City, and Rural Health Units, and Drug Abuse Treatment and Rehabilitation Centers including those managed by other government agencies (*e.g.* police and military hospitals/clinics, university medical facilities), uniformed medical personnel], private health workers, such as but not limited to medical professionals, hospital and health facility administrative and maintenance staff, and aides from private health facilities, as well as their service providers, health workers and volunteers of the Philippine Red Cross and the World Health Organization, and employees of Health Maintenance Organizations (HMOs), the Philippine Health Insurance Corporation (PHIC), health insurance providers, disaster risk reduction management officers, and public safety officers.
8. **Interzonal movement** - the movement of people, goods and services across areas placed under different Community Quarantine classifications.
9. **Intrazonal movement** - the movement of people, goods and services between localities under the same community quarantine classification, without transiting through an area placed under a different classification.
10. **Minimum public health standards** - refers to guidelines set by the DOH, as well as sector-relevant guidelines issued by government agencies, to aid all sectors in all settings to implement non-pharmaceutical interventions (NPI), which refer to public health measures that do not involve vaccines, medications or other pharmaceutical interventions, which individuals and communities can carry out in order to reduce transmission rates, contact rates, and the duration of infectiousness of individuals in the population to mitigate COVID-19.

REPUBLIC OF THE PHILIPPINES
INTER-AGENCY TASK FORCE
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

11. **Modified Enhanced Community Quarantine** - refers to the transition phase between ECQ and GCQ, when these temporary measures are relaxed: stringent limiting movement and transportation of people, strict regulation of operating industries, provision of food and essential services, and heightened presence of uniformed personnel to enforce community quarantine protocols become less necessary.
12. **Modified General Community Quarantine** - refers to the transition phase between GCQ and New Normal, when these temporary measures are relaxed: limiting movement and transportation, the regulation of operating industries, and the presence of uniformed personnel to enforce community quarantine protocols become less necessary.
13. **New Normal** - refers to the emerging behaviors, situations, and minimum public health standards that will be institutionalized in common or routine practices and remain even after the pandemic while the disease is not totally eradicated through means such as widespread immunization. These include actions that will become second nature to the general public as well as policies such as bans on large gatherings that will continue to remain in force.
14. **Operational capacity** - refers to such a maximum number of employees or workers who can be permitted or required to physically report to work on-site in a particular office or establishment.
15. **Skeleton workforce** - refers to the operational capacity which utilizes the smallest number of people needed for a business or organization to maintain its basic function

SECTION [6] POST-COMMUNITY QUARANTINE SCENARIO. Areas where no community quarantine is in place can be considered as being under the new normal.

SECTION [7] GUIDELINES FOR INTERZONAL AND INTRAZONAL MOVEMENT.

1. The movement of all types of cargoes by land, air, or sea within and across areas placed under any form of community quarantine shall be unhampered. Workers in the logistics sector, such as cargo, trucking, courier delivery and port operations shall likewise be allowed to transit across areas placed under any form of community quarantine. All LGUs are directed to strictly abide by this national policy. *Provided*, that only a maximum of five (5) personnel may operate cargo and delivery vehicles by land, with or without load.

LGUs and local health units (LHUs) are hereby enjoined not to issue orders contrary to or inconsistent with said directive, such as, but not limited to, requiring asymptomatic drivers and crew of cargo or service delivery vehicles to undergo mandatory fourteen (14)-day home quarantine. *Provided, further*, that strict social distancing measures must be strictly observed, which may include, if necessary, the putting up of additional safe and humane seats or space in the vehicles. *Provided, finally*, that the PNP retains its authority to conduct inspection procedures in checkpoints for the purpose of ensuring that protocols on strict home quarantine are observed.

2. The movement as such of the following persons within and across areas placed under any form of community quarantine shall be permitted: (1) health and emergency frontline services personnel, (2) government officials and government frontline personnel, (3) duly-authorized humanitarian assistance actors (HAAs), (4) persons traveling for medical or humanitarian reasons, (4) persons going to the airport for travel abroad, (5) returning or repatriated OFWs and other Overseas Filipinos (OFs) returning to their places of residence, and (6) other persons transported through the efforts of the national government upon observance of the necessary quarantine protocols and with the

FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

concurrence of the receiving LGUs. Authorized shuttle services shall be allowed to travel within and across areas placed under any form of community quarantine, with priority given to persons rendering health and emergency frontline services.

Land, air or sea travel by uniformed personnel, government officials and employees for official business with the corresponding travel authority, and authorized HAAs, especially those transporting medical supplies and laboratory specimens related to COVID-19, and other relief and humanitarian assistance, shall be allowed.

OFWs, students enrolled abroad and participants accepted in exchange visitor programs, permanent residents of foreign jurisdictions, and stranded foreign nationals, or those leaving for medical and other humanitarian reasons may leave for abroad through any of the airports or seaports in the country. *Provided that* this provision shall not be interpreted to allow outbound travel by Filipinos to countries where travel restrictions are in place. *Provided, further,* that departing passengers may be accompanied by not more than one (1) person when traveling to any international port, who shall be allowed to return to his/her point of origin.

OFWs whether land-based or sea-based shall be allowed to be deployed abroad upon the execution of a *Declaration* signifying their knowledge and understanding of the risks involved as advised by the Philippine Government. For this purpose, recruitment and placement agencies shall likewise be allowed to operate in areas under MECQ, GCQ or MGCQ, subject to the observance of minimum health standards. *Further,* government offices and agencies involved in the processing of their deployment are hereby directed to establish “Green Lanes” to enable their prompt processing and deployment. *Further still,* to facilitate the ease of deployment, the OFWs and employees of these recruitment and placement agencies shall be allowed unhampered transit to and from appropriate government offices during MECQ, GCQ or MGCQ for the processing of their requirements and facilities such as airports, ferries, bus terminals, etc., notwithstanding any Local Government Unit pronouncement to the contrary. The said free access shall extend to the vehicles carrying the aforementioned individuals in order for them to reach their final destination. No fee or any other requirement shall be imposed by LGUs in this regard.

Repatriated OFWs or returning non-OFWs who have been issued a DOH or LGU certificate of completion of fourteen (14)-day facility-based quarantine, those who may

FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

be required to undergo a mandatory fourteen (14)-day home quarantine, and those who are issued with travel authority upon testing negative for COVID-19, shall be granted unhampered transit across zones *en route* to their final destination in the Philippines. For this purpose, LGUs are enjoined to allow maritime vessels or aircraft transporting the aforementioned OFWs and non-OFWs to dock or land at their ports of destination.

3. The non-essential entry of persons to an area placed under ECQ shall be prohibited, except for those permitted to render work or conduct activities inside the ECQ zone.
4. The non-essential entry of persons to an area placed under MECQ shall likewise be prohibited, except for those entering the MECQ zone to render work or conduct activities permitted under Section 2 of these Guidelines. For workers from areas outside MECQ zones who shall render work or conduct activities permitted under Section 3, business establishments may provide point-to-point shuttle services, or on-site or near-site arrangements inside the MECQ zone.
5. The non-essential exit of persons from an area placed under MECQ or ECQ shall likewise be prohibited, except for those temporarily permitted entry under items (3) and (4) of this Section. Furthermore, those authorized to render work or perform activities in areas under ECQ as provided by Section 2 of these Guidelines shall likewise be allowed to exit MECQ or ECQ zones and move across areas placed under any form of community quarantine to render or perform said work or activities.
6. The movement of persons across areas placed under GCQ or MGCQ for any purpose other than leisure shall be permitted.
7. Movement to and from an area placed under GCQ to an area where no community quarantine is in place shall be permitted, except for the sole purpose of leisure. The movement of persons for any purpose across areas placed under MGCQ and areas where no community quarantine is in place shall be permitted.

SECTION [8] GENERAL PROVISIONS

1. LGUs are enjoined to enact the necessary ordinances to enforce curfew only for non-workers in jurisdictions placed under GCQ and to penalize, in a fair and humane

INTER-AGENCY TASK FORCE
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

manner, violations of the restrictions on the movement of people as provided under these Revised Omnibus Guidelines.

2. As a matter of declared national policy and pursuant to paragraphs (aa) and (bb), Section 4 of the Republic Act No. 11469, all banks, quasi-banks, financing companies, lending companies, and other financial institutions, public and private, including the Government Service Insurance System, Social Security System and Pag-ibig Fund, are directed to implement a minimum of a thirty (30)-day grace period from due date or until such time that the community quarantine is lifted, whichever is longer, for the payment of all loans, including but not limited to salary, personal, housing, and motor vehicle loans, as well as credit card payments, falling due within the period of ECQ and MECQ, and without incurring interests, penalties, fees, or other charges. Persons with multiple loans shall likewise be given a minimum 30-day grace period from due date or until such time that the community quarantine is lifted, whichever is longer, shall be observed for every loan.

For residential and commercial rents falling due within the duration of the ECQ, MECQ, and GCQ, on residential lessees and micro-, small, and medium enterprises (MSMEs) and sectors not permitted to operate during said period, a grace period of thirty (30) days from the last due date or until such time that the community quarantine is lifted, shall be observed, whichever is longer, without incurring interests, penalties, fees, or other charges.

3. The operation of industries and establishments identified in preceding sections are subject to the visitorial and enforcement powers of the Department of Labor and Employment and Department of Trade and Industry and other appropriate agencies to ensure compliance with these Omnibus Guidelines especially the provisions on maximum allowable operational capacity in establishments, as well as minimum health standards and protocols.
4. Compliance with Joint DTI-DOLE Return-to-Work Guidelines and DOH Return-to-Work Guidelines shall be considered sufficient compliance with minimum health standards. In no case shall the testing of all returning workers be construed as a condition precedent for his/her return.
5. All persons are mandated to wear face masks, earloop masks, indigenous, reusable, do-it-yourself masks, or face shields, handkerchiefs, or such other protective equipment or any combination thereof, which can effectively lessen the transmission of COVID-19,

FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

whenever they go out of their residences, pursuant to existing guidelines issued by the national government. Concerned LGUs are hereby enjoined to issue the necessary executive order or ordinance to that effect, and to provide fair and humane penalties.

6. Supermarkets, public and private wet markets, grocery stores, agri-fishery supply stores, veterinary supply stores, pharmacies, drug stores, and other retail establishments engaged in the business of selling essential goods are strongly encouraged to extend their store operations to a maximum of twelve (12) hours. LGUs are directed to allow such establishments to operate pursuant to the foregoing. *Provided that* in the operation of wet markets, LGUs are encouraged to adopt reasonable schemes to ensure compliance with strict social distancing measures, such as, but not limited to, providing for specific daily schedules per sector, barangay, or purok, as the case may be. In no case shall such schemes involve narrowing the hours of operation of the foregoing establishments.
7. Acts of discrimination inflicted upon healthcare workers, repatriated OFWs and non-OFWs, COVID-19 cases, whether confirmed, recovered or undergoing treatment, as well as suspect and probable cases, and Persons under Monitoring are denounced in the strongest of terms. Acts in furtherance of discrimination, such as, but not limited to, coercion, libel, slander, physical injuries and the dishonor of contractual obligations such as contracts of lease or employment, shall be dealt with criminally, civilly, and/or administratively. LGUs are enjoined to issue the necessary executive orders and/or enact ordinances prohibiting and penalizing these discriminatory acts.

SECTION [9] EFFECTIVITY. These Guidelines shall take effect immediately upon publication in the Official Gazette or any newspaper of general circulation.
