Talk to the People of President Rodrigo Roa Duterte - 21 December 2021

“The NDRRMC came out with a resolution recommending that a state of calamity be declared over the affected areas and these would include Region IV-B, VI, VII, VIII, X, and XIII. The declaration of the state of calamity will hasten the rescue and relief and rehabilitation efforts of the government and the private sector. This will also be an effective mechanism to control the prices of goods and commodities in the areas.”
