PRESIDENT MARCOS: Good afternoon.

Q: Good afternoon, sir. Sir, can we get your comment on the latest OCTA survey showing that 59 percent and 60 percent ng performance ratings niyo this April?

PRESIDENT MARCOS: Well, it just validates that – what we are doing. That people are beginning to understand what we have been trying to do for the last two and a half – almost three years.

So, it continues to inspire me because it shows that we are making progress. That's always a – that's always good to know.

Thank you.

Q: Sir, can we get your comment, sir, on the findings of the Senate investigation on the –

PRESIDENT MARCOS: On the?

PRESIDENT MARCOS: Everyone's entitled to their opinion. I disagree.

PCO SECRETARY JAY RUIZ: Thank you very much, guys. Thank you. Thank you.

Q: Salamat, sir.
